OVERVIEW

ChemExpo Vietnam 2026 took place from 10–12 June 2026 at SECC, Ho Chi Minh City, bringing together key players across the chemical industry. The event showcased chemicals, laboratory technologies, processing equipment, and environmental solutions, while promoting business networking, technology exchange, and market development. Conferences and knowledge-sharing sessions also highlighted regulatory updates, market trends, innovation, sustainable manufacturing, and green development.

INDUSTRY FEEDBACK & LOOKING AHEAD

Ms. Griva Shah

Marketing Manager
Bleach Petrochemicals

“Vietnam is a fast-growing and highly promising market for Indian suppliers. ChemExpo Vietnam provided us with valuable opportunities to connect directly with potential customers and partners, and we were impressed by the quality of visitors and business prospects generated during the exhibition. We look forward to returning next year”

Ms. Lexie Yang

Overseas Manager
Jiangyin Cemax Equipments Co.,Ltd

“ChemExpo Vietnam was a valuable opportunity for us to connect with potential customers, establish new business relationships, and gain deeper insights into the Vietnamese market. We were impressed by the strong visitor engagement and look forward to returning next year”
